Dear Business Owner/Community Member:

The Friends of High Point State Park would like to invite you to participate this year in our Corporate Sponsorship program. We count on community support to help make our events a success and we are contacting you now in hopes that you will consider us in your charitable donation allocation for the upcoming year.

The Friends of High Point State Park is a non-profit group that encourages the use of the park by funding various events. Our members have one thing in common which is a love for the park and our wish to share it with others. We enjoy offering events and activities to the public at High Point State Park.

We would also like to offer you the opportunity for The Friends to advertise your sponsorship by listing your company on our website. We would also like to add a link on our Facebook page and website providing your web page so possible customers can be directed immediately to your website. If you have any flyers or advertisements we would gladly put them out at our events table.

The Friends of High Point State Park would like to thank you in advance for your support in the continued success of our programs here at High Point State Park.

Sincerely,

The Friends of High Point State Park
